

# HOMESTEAD HIGH SCHOOL

August 21, 2018

Dear Arts Partner,

Homestead High School's award-winning show choirs will host their annual Cabaret Night on Saturday, January 19, 2019. The evening will be held at the Performing Arts Center University of Saint Francis. Our evening includes live and silent auctions, a dessert buffet, guest entertainers, and more than 150 student singers, dancers, and musicians: Homestead's Class Royale and Elite Show Choirs, their band Anonymous Blue along with Class Act from Summit & Woodside middle schools. Besides winning Grand Champion awards multiple times during the past competition seasons, both our High School and Middle School Show Choirs had record breaking 2018 seasons!

Cabaret Night is a celebration of arts education in Southwest Allen County Schools and marks the beginning of the choirs' competition season. After months of rehearsal, students devote countless more hours to Saturday contests and continual "tweaking." Each week, the choirs review the judges' comments and revise and perfect their performance. For these young people, competition isn't just about winning; it's about working together, each giving 100% to produce the best performance possible. It is a journey of excellence.

We are grateful for your past donations and invite your continued support of arts and character education as an Arts Partner. Please consider contributing as an

- Auction Donor: merchandise or gift certificates for the auctions, or
- Event Sponsor: a Whole Note Sponsor (\$100) or a Half-Note Sponsor (\$50)

In appreciation of your donation, your name will be recognized in the 1000-1500 Cabaret Night programs, on our Arts Partner board, and in thank you announcements. You are also welcome to provide business cards to display with your auction donation.

Please give one of us a call with any questions or send your desired donation to the address below. In the next few weeks somebody from our organization will be contacting you to follow up as well. I thank you in advance for your consideration.
